

THE SARAH SIDDONS' FAN CLUB THEATRE COMPANY

INFORMATION FOR GROUPS

Sorry am I to say, I have often observed that I have performed worst when I most ardently wished to do better than ever.

Sarah Siddons

To that end the Sarah Siddons Fan Club Theatre Company have decided to put into repertory three of our most popular theatrical performances especially tailored for private groups and organisations.

SSFC are a street theatre company with a difference, all our work is original and based on actual historical events and performed on location in the places where the events actually took place. We have performed in sites across Hampshire, but our home, like that of Mrs Siddons, is in Southampton.

The three performances detailed below all take place around that historic town and are approximately one and a half hours in duration. They are theatrical perambulations as our audience travel with our actors as the story unfolds. The Titanic Story is also available as a supper theatre.

We are also available for commissions and have created work in the past for many historic settings, so if you are planning an event, festival or own an historic property please get in touch.
